

East Carolina University

General Hours of Operation: The standard operating hours for the university are 8:00 AM to 5:00 PM, Monday through Friday. Classroom operating hours are 7:00 AM to 10:00 PM Monday through Friday, except where noted otherwise. Additional weekend operating hours available upon request for approved special events. Laboratory operating hours are established in consultation with researchers and deans with the intent of maximizing energy savings without disrupting research.

Main Campus: The following standard operating hours have been established for the facilities on the Main Campus.
Classroom buildings are closed on Saturday and Sunday unless noted otherwise.
