

Sustainable Transportation

Parking and Transportation Services offers many resources and programs for commuting to and from campus in an eco-friendly way.

For more information contact parking@ecu.edu or visit the website at goo.gl/3Vfjzg

Research **ALTERNATIVE OPTIONS** for your ECU commute.

- “Green Get to ECU Day” is the first Tuesday of each month
- [ECU Transit](#) buses are fare free and all you need to ride is your 1 Card
- [NextBus](#) offers real-time arrival predictions and can be accessed via the ECU Mobile app
- Share permit costs, save money on gas, and park in premium reserved spaces by carpooling
- [Zimride](#) is a ride-sharing network to help you find, post, and coordinate your carpool

Check out the [Pirate BikeShare Program](#) to rent a bike as well as get safety tips, maintenance and repair assistance, and much more.

- ECU has been recognized as a Silver rated Bicycle Friendly University for 2014-2018
- Bikes are available for rent daily, by semester or per year for students, staff, and faculty
- Bike Clinics are hosted in collaboration with Building Hope on Fridays from 10am to 2pm

Sign up for **wheels when you want them** with [ECU Enterprise CarShare](#)

- Available to students, staff and faculty
- Two brand new fuel-efficient vehicles on main campus
- Located in Mamie Jenkins and Aycock Residence Hall parking lots
