SUSTAINABILITY FILM & DISCUSSION SERIES

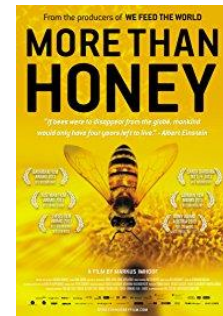

A Wellness Passport Premier Event

This free monthly film series strives to lend a voice to environmental sustainability and climate change issues affecting our community and the world. The series features documentary films ranging in topics from consumerism to waste, agriculture to water, and transportation to energy.

Please join us and bring a friend to the 3rd year of this series and stay afterward for some lively post-film discussions.

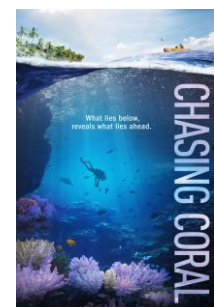

Sponsors: SustainECU, FROGGS, Sierra Club, Keep Greenville Beautiful, Sound Rivers, Re-Leaf, ECU SAB, Love A Sea Turtle, Tar River Beekeepers, and the Unnatural Resources Institute

Questions: Please contact Chad Carwein, University Sustainability Manager, at carweinc15@ecu.edu or follow us on Twitter, Instagram, and Facebook at SustainECU.
